Sir,

Subject Temporary appointment of ~~M~~ S K Subba Krishna Setty in the special vacancy No 575/44-45 of a Bill collector

In enclosing herein a copy of my letter No M6 220/44 dated 7/8-3-45 addressed to the Public Service Commissioner, and of the reply received from him on the above subject, I have the honour to state that in the circumstances explained therein the temporary appointment of S K Subba-Krishna Setty who has passed the L S examination may kindly be approved as it was very necessary to entertain the hand with a view to expedite the Mohatarfa collections as this is the busy season and without the required hands, the collection would considerably suffer In this connection I wish to state that in view of the very low grade pay of the Bill collector namely Rs 20-1-25 it is not possible to secure S S L C candidates for these posts Though the vacancy has been advertised several times, no S S L C candidates are forthcoming Under the ~~statutory~~ orders the S S I C ~~candid~~ standard has been fixed in respect of appointments carrying a pay of Rs 25/- and above, but the bill collectors' grade pay commences with the minimum of Rs 20/- and further, the bill collectors' main work consists only in the collection of mohatarfa and writing out receipts and there is not much writing work or corresponderce to be attended to by them In these circumstances, it is considered enough if the qualification for this post is

is reduced to that of L S standard or a course of having studied in the V Form I request that orders may kindly be passed reducing the qualification as suggested in respect of this class of appointment so that the ~~de~~ difficulty of securing hands for these posts may be obviated

I have the honour to be,
Sir,
Your most obedient servant,

President

Adverting to your letter No 2776/PSC dated 3-1-45 intimating that, in respect of the above special vacancy of a Bill Collector, no applications were received in response to the Gazette ~~Notification~~ Advertisement, and that a locally available N B qualified candidate may be appointed to the post, I have the honour to state that the Revenue Officer reports that it has not been possible to secure a N B qualified candidate and that in view of the collection season, it is very necessary that immediate arrangements should be made so that collection work may not suffer As already intimated to you it is very difficult to secure N B qualified S S L C candidates for these posts in view of the very low pay and also of the better chances available for them elsewhere The qualification requires therefore to be reduced to that of L S standard in respect of this class of appointment In view of the representations made by the Revenue Officer and in view of the fact that S S L C qualified N B candidates are not available I have appointed one S K Subba Krishna Setty, a N B candidate with L S qualification, pending a re-advertisement and selection of a qualified N B candidate A copy of the Memo appointing the candidate is herein enclosed I request that the action taken in the exigencies of service may be approved and the result of re-advertisement intimated at a very early date
